**NACCS CONCLUDES SERVICE PROVIDER AGREEMENT WITH
'WiseTech Global Pty Ltd' REGARDING ADVANCE FILING RULES**

Kawasaki, Japan- 21 August 2013- Nippon Automated Cargo and Port Consolidated System, Inc. (NACCS Center) concluded service provider agreement with 'WiseTech Global Pty Ltd' (Sydney, Australia) to enable Carriers and NVOCCs in foreign countries, the filers of the newly enacted Japan's Advance Filing Rules, to report electronically through NACCS to Japan Customs.

While NACCS center has developed partnership with service providers based in major seaports where a substantial number of Japan bound containers are loaded, WiseTech Global Pty Ltd is the first service provider headquartered in Sydney, Australia, and it is expected to enhance the environment for the customers of WiseTech Global including potential filers in the region to be compliant to the Japan's Advance Filing Rules.

With 16 service providers (14 overseas and 2 Japanese) in total including WiseTech Global Pty Ltd, NACCS Center is building a cooperative framework to be fully ready for the electronic filings from overseas.

2. ♦ Service Provider (WiseTech Global Pty Ltd)

Mr. Richard White, Chief Executive Officer and Founder

WiseTech Global is delighted with our newly established partnership with NACCS. As an authorized service provider for Japan Advance Filing Rules we will acquire direct network connections to NACCS to enable our development, and our customers' production needs. Following the agreement we will also be able to automate and integrate the processes associated with Japan Advance Filing compliance obligations and then move to other compliance developments and improvements. This is another development milestone that shows our strong commitment to creating state-of-the-art logistics compliance capability as part of our software stack. Our commitment and focus continues to enable and improve our customers' world-wide ability to integrate customs compliance, and other needs, from our single global platform.
