

Appendix Table 13-1 List of Items Subject to Changing Settings Online by Users

Procedure code	Procedure name	Filer	Input field	Changeable	Deletable
URY	User Information Registration	All users	User ID	-	-
			User password	○	
UTB	Registration of Customs Broker License Certificate Number	Customs brokers	User ID	-	-
			Customs broker license certificate number	○	
UOC	Registration of EXC-Type Message Destination Control	All users	User code	-	○
			Output information code	-	
			Output terminal name	○	
			E-mail box ID	○	
			E-mail type	○	
			Recipient type	○	
			User code of output destination	○	
System configuration of output destination	○				
UOK	Registration of Message Destination Control for Interactive Processing Mode	All users	Input terminal name	-	○
			Output information code	-	
			Output terminal name	○	
			User code of output destination	○	
			System configuration of output destination	○	
UOM	Registration of Message Destination Control for E-mail Style Processing Mode	All users	Input source e-mail type	-	○
			User ID	-	
			Output information code	-	
			E-mail box ID · Output terminal name	○	
			Type of output destination	○	
UON	Registration of Output Destination Management for Dual Output Permit Notice Information, etc.	Customs brokers	In-house system user code	-	○
			Output information code	-	
			Output terminal name	○	
			E-mail box ID	○	
			Recipient type	○	
			User code of output destination	○	
			System configuration of output destination	○	
UOJ	Registration of Basic Information for Dual Output Permit Notice Information, etc.	Customs brokers	User code	-	○
			User code (export) of output destination	○	
			User code (import/warehousing) of output destination	○	
			Dual output declaration in packaged software required/not required (export)	○	
			Dual output declaration in DI/SMTP required/not required (export)	○	
			Dual output declaration in packaged software required/not required (import)	○	
			Dual output declaration in DI/SMTP required/not required (import)	○	
			Dual output declaration in packaged software required/not required (warehousing)	○	

Procedure code	Procedure name	Filer	Input field	Changeable	Deletable
			Dual output declaration in DI/SMTP required/not required (warehousing)	○	

Procedure code	Procedure name	Filer	Input field	Changeable	Deletable
UOD	Registration of Broadcast Message Output Destination	All users	User code	-	○
			Name of logical terminal for output	○	
			E-mail box ID	○	
UKS	Registration of Transmission of Management Document Information Required/Not Required	All users	User code	-	-
			Transmission service required/not required (all management document information)	○	
USS	Registration of Qualified Inquiry Sender	All users	User code	-	-
			Qualified inquiry sender	○	
UKT	Registration of Users Who Can Make Correction After Permit	Customs broker	User code	-	-
			Users who can make correction after permit	○	
UNF	Registration of Payment Notice, etc. Output Destination	Importers, exporters, and customs brokers	Importer/exporter code	-	-
			Importer/exporter A	○	
			Representative customs broker A	○	
			Declarer A	○	
			Importer/exporter B	○	
			Representative customs broker B	○	
			Declarer B	○	
UHN	Registration of Carry-In/Out Procedure Agents	Bonded warehouses	Bonded area code	-	-
			Carry-in/out procedure agent	○	
UMF	Registration of Carriers by Port	Carriers	Carrier code	-	-
			Port code	-	
			User code	○	
UBA	Registration of Bonded Area-related Information	Bonded warehouses	Bonded area code	-	-
			Output of permitted/approved cargo information (export) (P message)	○	
			Output of permitted/approved cargo information (export) (CSV message)	○	
			Output of examination designated information when physical examination is chosen in export declaration or examination type change/examination (transit) designation	○	
			Output of warehousing information when carry-out (export) confirmation is made	○	
			Output of cargo loading ULD information when cargo loading result registration procedure is performed	○	
			Creation of "transfer instruction information" in cargo handling registration (content checking, sorting, and matching) (AHT/AHS/AHN)	○	
			Output of cargo loading result registration information and cargo loading pending information in each procedure of UNA/ULM/ULU	○	
			Output of cargo handling note information (export) A/cargo handling note information (export) B/cargo handling note information (export) C when each procedure of AHT/AHS/AHN is performed by customs brokers, etc.	○	
			Output of AWB shipping and receiving document information	○	

Procedure code	Procedure name	Filer	Input field	Changeable	Deletable
UBA	Registration of Bonded Area-related Information	Bonded warehouses	Output of permitted/approved cargo information (import) (P message)	○	-
			Output of permitted/approved cargo information (import) (CSV message)	○	
			Output of examination designated information when physical examination is chosen in import declaration or examination type change/examination (transit) designation	○	
			Output of pre-arrival declaration (S) notice information	○	
			Output of carry-out request information in OUT procedure	○	
			Output of carry-out request information to the users who entered the information and bonded warehouses in RSV procedure	○	
			Output of cargo handling note information (import) A and cargo handling note information (import) B to managers of bonded warehouses handled when each procedure of CHN/CHS is performed by non-managers of bonded warehouses	○	
			Output of correction note information or correction pending note information to bonded warehouses when CAI procedure is performed by contractors other than bonded warehouses	○	
			Output of invoice/bill/receipt information in OUT procedure and EXR procedure	○	
			Output of carry-out information in OUT procedure and EXR procedure	○	
			Output of invoice/bill/receipt and carry-out information when warehousing fee is zero yen in OUT procedure and EXR procedure	○	
			Output and message destination control format of transfer instruction information (import) A in KAM procedure	○	
			Output and message destination control format of transfer instruction information (import) A in OUT procedure	○	
			Output of transfer instruction information (import) A in RSV procedure	○	
			Output and message destination control format of transfer instruction information (import) A in PUO procedure	○	
			Output of transfer instruction information (import) B in CHN procedure	○	
			Output of transfer instruction information (import) C in CHS procedure	○	
			Output and message destination control format of transfer instruction information (import) C in PUO procedure	○	
			Output and message destination control format of transfer instruction information (import) D in PUO procedure	○	
			Output and message destination control format of transfer instruction information (export) D in EXR procedure	○	
Output of Cargo given with approval on Customs Transit, Notification of correction to cargo given with approval on Customs Transit, Notification of cancellation to cargo given with approval on Customs Transit or Cargo given with approval on extension of a time limit for transportation to managers of bonded warehouses in departure or arrival place, in GOL01/OLT01/CET01 procedure	○				
Output of Notification of Customs transit/bonded transport (simultaneous declaration)	○				
UBC	Registration of Credit Handling Contractors by Bonded Warehouse	Bonded warehouses	Bonded area code	-	-
			Credit handling contractors	○	
UIA	Setting of Inventory Data Output Require/Not Required by Bonded Warehouse	Bonded warehouses and airline companies	Bonded area code	-	-
			Output require/not required	○	
			MAWB information output require/not required	○	
			Display of all locations	○	
			Location	○	
UCJ	Registration of Airline Companies Accepting Aircraft's Stores	Maritime suppliers	Bonded maritime supply warehouse code	-	-
			Accepting airline companies	○	
			Importer code	○	
I17R	Registration of Fee Rates by Bonded Warehouse	Bonded warehouses	Bonded area code	-	-
			Generation reflection date	-	

Procedure code	Procedure name	Filer	Input field	Changeable	Deletable
UEN	Registration of Fee Rates by Bonded Warehouse	Bonded warehouses	Weight classification	○	
			Many others including unit price, etc.	○	
UFB	Registration of Ports of Shipment for Prior Registration of Booking Information by Carrier	Carriers and shipping agents	Carrier code	-	-
			Port code	○	
UKY	Registration of Users Who Can Make Declaration	Customs broker	User code	-	-
			Users who can make declaration	○	
UAF	Register of Unnecessary Setting for Omission Function of Manifest Information Registration	Carriers and shipping agents	Carrier code	-	○
			Port of Discharge Code	-	
			Vessel Code	-	
UCT	Register of Available Reception Time of RCS01	Bonded warehouses, Carriers, shipping agents, CY and NVOCC	Unloading request acceptance end time	○	○
			Display of available on saturday	○	
			Display of available on sunday / holiday	○	
			Display of warning output	○	
			Display of available on the day	○	
			Remark	○	
UIK	Register of the Output Destination of the Lump Sum Payment Slip (comprehensive extension of due date for tax payment)	Customs broker	Declarer	-	○
			Filing Destination Customs Office (add)	-	
			User of Destination (add)	-	
			Time to start an application (add)	-	
			Time to finish an application (add)	-	
UTK	Register of the Transmission date of the Lump Sum Payment Slip (authorized declaration prompt payment)	Customs broker	Declarer	-	○
			Target Year	○	
			Transmission date in February (import (receipt) permit in January)	○	
			Transmission date in March (import (receipt) permit in February)	○	
			Transmission date in April (import (receipt) permit in March)	○	
			Transmission date in May (import (receipt) permit in April)	○	
			Transmission date in June (import (receipt) permit in May)	○	
			Transmission date in July (import (receipt) permit in June)	○	
			Transmission date in August (import (receipt) permit in July)	○	
			Transmission date in September (import (receipt) permit in August)	○	
			Transmission date in October (import (receipt) permit in September)	○	
			Transmission date in November (import (receipt) permit in October)	○	
			Transmission date in December (import (receipt) permit in November)	○	
			Transmission date in January (import (receipt) permit in December)	○
