

Appendix Table 7-1 Flow of Accumulative Processing

Item No.	Procedure Name	Procedure Code	Processing Result (Note 1)	Flow and Units of Processing	Pattern
1	Vanning Information Cancellation * In the case of collective cancellation in units of export management numbers, etc.	VAC		In units of 1 B/L No. / Export control No. (up to 100 containers)	1
2	Vanning Information Correction (accumulative processing)	1VV		In units of 1 container	
3	Vanning Information Correction * In the case of correcting cargo information	VAD		In units of 1 B/L No. / Export control No. (up to 100 containers)	1
4	Vanning Information Correction (accumulative processing)	1VV		In units of 1 container	
5	Loading Information Registration (submission of a list of loaded containers/loading)	CLR		In units of vessels/ports	
6	Loading Information Registration (division of messages)	1CB		Container cargo; In units of 300 containers per container manager Numbers	1
7	Loading Information Registration (accumulative processing)	1CL		Container cargo; In units of 1 container In-bulk cargo; In units of 100 B/L Numbers / Export control Numbers	
8	Loading Information Registration (submission of a list of loaded containers)	CLR		In units of vessels/ports	
9	Loading Information Registration (division of messages)	1CB		In units of 300 containers per container manager	1
10	Loading Information Registration (accumulative processing)	1CL		In units of 20 container	
11	Loading Information Registration (loading)	CLR		In units of vessels/ports	
12	Loading Information Registration (division of messages) * In the case of other than "Loading Completion"	1CB		Container cargo; In units of 300 containers In-bulk cargo; In units of 300 B/L Numbers / Export control Numbers	1
13	Loading Information Registration (accumulative processing)	1CL		Container cargo; In units of 1 container In-bulk cargo; In units of 100 B/L Numbers / Export control Numbers	
14	Loading Information Registration (loading) * In the case of "Loading Completion"	CLR		In units of vessels/ports	1
15	Loading Information Registration (accumulative processing)	1CL		In units of vessels/ports	
16	Loading Information Change (cancellation of loaded container/loading information)	CLD		In units of container managers	
17	Loading Information Registration (division of messages)	1CB		In units of 300 container	1
18	Loading Information Change (accumulative processing)	1CD		In units of 1 container	
19	Loading Information Change (cancellation of loaded container information)	CLD		In units of container managers	
20	Loading Information Registration (division of messages)	1CB		In units of 300 container	1
21	Loading Information Change (accumulative processing)	1CD		In units of 20 container	
22	Loading Information Change (cancellation of loading information)	CLD		In units of vessels/ports	
23	Loading Information Registration (division of messages)	1CB		Container cargo; In units of 300 containers In-bulk cargo; In units of 300 B/L Numbers / Export control Numbers	1
24	Loading Information Change (accumulative processing)	1CD		Container cargo; In units of 1 container In-bulk cargo; In units of 100 B/L Numbers / Export control Numbers	
25	ACL Information Registration	ACL01		In units of loading information	
26	ACL Information Registration (accumulative processing)	1AL		In units of 10 house booking numbers	1
27	Loading Confirmation Registration	CCL		Container cargo; In units of vessels/ports In-bulk cargo; In units of vessels/ports	
28	Loading Confirmation Registration (accumulative processing)	1CC		Container cargo; In units of 20 containers In-bulk cargo; In units of 20 B/L Numbers / Export control Numbers	1
29	Collective Carry-In Confirmation Registration Call Up	BIL		In units of carry-in documents or in units of LDRs (in the case of simple processing)	
30	Carry-In Confirmation (accumulative processing)	1BL		In units of 16 AWBs (HAWBs)	1
31	Carry-Out Confirmation Registration (in units of ULDs)	EXU		In units of LDRs (ULDs)	
32	Carry-Out Confirmation Registration (in units of ULDs) (accumulative processing)	1XU		In units of 20 AWBs (HAWBs)	1
33	Carry-Out Confirmation Cancellation Call Up	EXC		In units of LDRs (ULDs) (when canceling information indicating that registration is made by EXU)	
34	Carry-Out Confirmation Cancellation (accumulative processing)	1XC		In units of 20 AWBs (HAWBs)	1
35	Loading Flight Assignment Information Registration	FLI01		In units of loading flights	
36	Loading Flight Assignment A (division of messages)	1FS		In units of 6 AWBs (HAWBs) In units of 1 ULD	1
37	Loading Flight Assignment B (accumulative processing)	1FU		In units of 6 AWBs (HAWBs)	
38	Loading Flight Assignment Information Correction	FLF01		In units of loading flights	
39	Loading Flight Assignment A (division of messages)	1FS		In units of 6 AWBs (HAWBs) In units of 1 ULD	1
40	Loading Flight Assignment B (accumulative processing)	1FU		In units of 6 AWBs (HAWBs)	
41	Loading Completion Registration (in units of flights)	CLA01		In units of loading flights	
42	Loading Completion A (division of messages) * In the case of consolidated cargo	1CS		In units of 1 MAWB	1
43	Loading Completion B (accumulative processing)	1CU		In units of 20 HAWBs	
44	Loading Completion C (accumulative processing)	1FL		In units of 1 MAWB (in the case of Loading Completion)	
45	Loading Completion D (accumulative processing)	1MW		In units of 1 HAWB	
46	Loading Completion Registration (in units of flights)	CLA01		In units of loading flights	
47	Loading Completion A (division of messages) * In the case of other than consolidated cargo	1CS		In units of 20 AWBs In units of 1 ULD	1
48	Loading Completion B (accumulative processing)	1CU		In units of 20 AWBs	
49	Loading Completion C (accumulative processing)	1FL		In units of 1 AWB (in the case of Loading Completion)	
50	Loading Completion Registration (in units of AWBs)	CLB01		In units of loading flights	
51	Loading Completion A (division of messages) * In the case of consolidated cargo	1CS		In units of 1 MAWB	1
52	Loading Completion B (accumulative processing)	1CU		In units of 20 HAWBs	
53	Loading Completion C (accumulative processing)	1FL		In units of 1 MAWB (in the case of Loading Completion)	
54	Loading Completion D (accumulative processing)	1MW		In units of 1 HAWB	
55	Loading Completion Registration (in units of AWBs)	CLB01		In units of loading flights	
56	Loading Completion A (division of messages) * In the case of other than consolidated cargo	1CS		In units of 20 AWBs In units of 1 ULD	1
57	Loading Completion B (accumulative processing)	1CU		In units of 20 AWBs	

Item No.	Procedure Name	Procedure Code	Processing Result (Note 1)	Flow and Units of Processing	Pattern
58	Loading Completion C (accumulative processing)	1FL		In units of 1 AWB (in the case of Loading Completion)	

Item No.	Procedure Name	Procedure Code	Processing Result (Note 1)	Flow and Units of Processing	Pattern
59	Forced Termination of Loading Completion Registration	CLF01		In units of loading flights	1
60	Loading Completion A (division of messages) * In the case of consolidated cargo	1CS		In units of 1 MAWB	
61	Loading Completion B (accumulative processing)	1CU		In units of 20 HAWBs	
62	Loading Completion C (accumulative processing)	1FL		In units of 1 MAWB (in the case of Loading Completion)	
63	Loading Completion D (accumulative processing)	1MW		In units of 1 HAWB	
64	Forced Termination of Loading Completion Registration	CLF01		In units of loading flights	1
65	Loading Completion A (division of messages) * In the case of other than consolidated cargo	1CS		In units of 20 AWBs In units of 1 ULD	
66	Loading Completion B (accumulative processing)	1CU		In units of 20 AWBs	
67	Loading Completion C (accumulative processing)	1FL		In units of 1 AWB (in the case of Loading Completion)	
68	Bonded Warehouses Inventory Status Inquiry (export)	IWH		In units of bonded warehouses	1
69	Bonded Warehouses Inventory Status Inquiry (export) (accumulative processing)	1WH		In units of 48 AWBs (HAWBs)	
70	Export Declaration	EDC		In units of export declarations	2
71	Export Declaration (automatic invocation on carry-in)	1ED	○	In units of export declarations (when processing Carry-In Confirmation Registration or CY Carry-In Confirmation Registration)	
72	Export Declaration	EDC		In units of export declarations	2
73	Export Declaration (automatic invocation during office operating hours)	3ED	○	In units of export declarations (during office operating hours)	
74	Export Declaration of Unaccompanied Articles	UEC		In units of export declarations of unaccompanied articles	2
75	Export Declaration of Unaccompanied Articles (automatic invocation on carry-in)	1UE	○	In units of export declarations of unaccompanied articles (when processing Carry-In Confirmation Registration or CY Carry-In Confirmation Registration)	
76	Export Declaration of Unaccompanied Articles	UEC		In units of export declarations of unaccompanied articles	2
77	Export Declaration of Unaccompanied Articles (automatic invocation during office operating hours)	3UE	○	In units of export declarations of unaccompanied articles (during office operating hours)	
78	Export Declaration	EDC		In units of export declarations	2
79	Export Declaration Processing After Carry-In (automatic invocation)	1CE	○	In units of export declarations (when processing Carry-In Confirmation Registration or CY Carry-In Confirmation Registration)	
80	Export Declaration of Unaccompanied Articles	UEC		In units of export declarations of unaccompanied articles	2
81	Export Declaration Processing After Carry-In (automatic invocation)	1CE	○	In units of export declarations (when processing Carry-In Confirmation Registration or CY Carry-In Confirmation Registration)	
82	Export Manifest Clearance Declaration	MEC		In units of export manifest clearance declarations	2
83	Export Declaration Processing After Carry-In (automatic invocation)	1CE	○	In units of export declarations (when processing Carry-In Confirmation Registration or CY Carry-In Confirmation Registration)	
84	Export Declaration Processing After Carry-In (automatic invocation)	1CE		In units of export declarations, in units of export declarations of unaccompanied articles, in units of export manifest clearance declarations	2
85	Export Declaration Processing After Carry-In (automatic invocation during office operating hours)	3EW	○	In units of export declarations, in units of export declarations of unaccompanied articles, in units of export manifest clearance declarations	
86	Export Manifest Clearance Declaration	MEC		In units of export manifest clearance declarations	2
87	Export Manifest Clearance Declaration (automatic invocation on carry-in)	1ME	○	In units of export manifest clearance declarations (when processing Carry-In Confirmation Registration)	
88	Export Manifest Clearance Declaration	MEC		In units of export manifest clearance declarations	2
89	Export Manifest Clearance Declaration (automatic invocation during office operating hours)	3ME	○	In units of export manifest clearance declarations (during office operating hours)	
90	Application for Export Permit Content Change (collective change of port of shipment)	EAM01		In units of 1 MAWB	2
91	Application for Export Permit Content Change (accumulative procedure)	1EA	○	In units of export declarations	
92	Application for Export Permit Content Change (collective change of port of shipment)	EAM01		In units of 1 MAWB	2
93	Application for Unaccompanied Article Export Permit Content Change (accumulative procedure)	1UA	○	In units of export declarations of unaccompanied articles	
94	Application for Export Permit Content Change (collective change of port of shipment)	EAM01		In units of 1 MAWB	2
95	Application for Export Manifest Clearance Declaration Permit Content Change (accumulative procedure)	1MA	○	In units of export manifest clearance declarations	
96	Manifest Information Registration	MFR		In units of 1 B/L	2
97	Customs Transit Declaration (automatic invocation on carry-in)	1OT	○	In units of 1 B/L (when processing Loading Confirmation Registration)	
98	Cargo Manifest Submission	DMF		In units of carriers/ports	1
99	Manifest Information Registration (accumulative processing)	1MD		In units of 1 B/L	
100	Cargo Manifest Submission (accumulative processing)	1MF		In units of 20 B/Ls, in units of 20 containers	
101	Cargo Manifest Submission	DMF		In units of carriers/ports	
102	Manifest Information Registration (accumulative processing)	1MD		In units of 1 B/L	1
103	Cargo Manifest Submission (accumulative processing)	1MF		In units of 20 B/Ls, in units of 20 containers	
104	Import Declaration Before Cargo Arrival (house B/L) (automatic invocation of formal declaration)	1MJ		In units of 20 house B/Ls	
105	Arrival Confirmation Registration	PID		In units of vessels/ports	1
106	Arrival Confirmation Registration (accumulative processing)	1PD		In units of 20 B/Ls	
107	Arrival Confirmation Registration (on the moment of arrival) (accumulative processing)	1DM		In units of discharged container information	1
108	Discharged Container Information Registration (accumulative processing)	1DC	○	In units of 20 containers	
109	Arrival Confirmation Registration	PID		In units of vessels/ports	1
110	Arrival Confirmation Registration (accumulative processing)	1PD		In units of 20 B/Ls	
111	Arrival Confirmation Registration (on the moment of arrival) (accumulative processing)	1DM		In units of discharged container information	1
112	Accumulative Processing Procedure of Discharged Container Information Registration During Office Operating Hours	3DC		In units of carriers (during office operating hours)	
113	Discharged Container Information Registration (accumulative processing)	1DC	○	In units of 20 containers	

Item No.	Procedure Name	Procedure Code	Processing Result (Note 1)	Flow and Units of Processing	Pattern
114	Discharge Confirmation Registration (individual registration)	PKK		Container cargo; In units of 100 containers	1
115	Discharge Confirmation Registration (accumulative processing)	1PK01	○	Container cargo; In units of 1 container	
116	Discharge Confirmation Registration (collective registration)	PKI		Container cargo; In units of carriers/ports	1
117	Discharge Confirmation Registration (accumulative processing)	1PK02	○	Container cargo; In units of 20 containers, in units of 20 B/Ls	
118	Discharge Confirmation Registration (collective registration)	PKI		Container cargo; In units of carriers/ports	1
119	Discharge Confirmation Registration (accumulative processing)	1PK02	○	Container cargo; In units of 20 containers, in units of 20 B/Ls	
120	Accumulative Processing Procedure of Discharged Container Information Registration During Office Operating Hours	3DC		In units of carriers (during office operating hours)	1 2
121	Discharged Container Information Registration (accumulative processing)	1DC	○	In units of 20 containers	
122	Discharged Container Information Registration (submission)	DCL02		In units of carriers per container; in units of 1500 containers	1
123	Discharged Container Information Registration (accumulative processing)	1DC	○	In units of 20 containers	
124	Customs Transit Declaration	OLC/ OLC20		In units of customs transit declarations, in units of 5 B/Ls	2
125	Customs Transit Declaration (automatic invocation on carry-in)	1OT	○	In units of customs transit declarations (when processing Discharge Confirmation Registration or Carry-In Confirmation Registration)	
126	Customs Transit Declaration	OLC/ OLC20		In units of 5 B/Ls	2
127	Customs Transit Declaration (automatic invocation during office operating hours)	3OT	○	In units of 5 B/Ls (during office operating hours)	
128	Carry-In Confirmation Registration (customs transit cargo)	BIA		Collective registration; In units of customs transits, individual transits, container numbers, master B/Ls, import declaration numbers Individual registration; In units of 20 B/L Numbers	1 2
129	Carry-In Confirmation Registration (customs transit cargo) (accumulative processing)	1BA	○	In units of 1 ocean B/L (Note 2)	
130	Consolidated Cargo Sorting Confirmation Registration (accumulative processing)	1BB	○	In units of 10 house B/Ls (in the case of consolidated cargo)	
131	Consolidated Cargo Confirmation Registration	CTS		Collective registration; In units of master B/Ls Individual registration; In units of 20 B/L Numbers / Export control Numbers	1 2
132	Carry-In Confirmation Registration (customs transit declaration) (accumulative processing)	1BA	○	In units of 1 ocean B/L (Note 2)	
133	Consolidated Cargo Sorting Confirmation Registration (accumulative processing)	1BB	○	In units of 10 house B/Ls (in the case of consolidated cargo)	
134	CY Carry-In Confirmation Not Covered by the System (collective carry-in)	CYE		In units of carriers/ports	1
135	CY Carry-In Confirmation Not Covered by the System (collective carry-in) (accumulative processing)	1CY		In units of 20 containers, in units of 20 B/Ls	
136	House B/L Cargo Information Registration	NVC01/NVC02		In units of master B/Ls	1
137	Import Declaration Before Cargo Arrival (house B/L) (automatic invocation of formal declaration)	1MJ		In units of 20 house B/Ls	
138	House B/L Cargo Information Registration	NVC01		In units of master B/Ls	2
139	Customs Transit Declaration (automatic invocation on carry-in)	1OT	○	In units of house B/Ls (when processing Carry-In Confirmation Registration)	
140	House B/L Cargo Information Registration	NVC01		In units of master B/Ls	1
141	Carry-In Confirmation Registration (customs transit cargo) (accumulative processing)	1BA	○	In units of 1 ocean B/L (Note 2)	
142	Consolidated Cargo Sorting Confirmation Registration (accumulative processing)	1BB	○	In units of 10 house B/Ls (in the case of consolidated cargo)	
143	Customs Transit Arrival Confirmation Not Covered by the System	SAT		In units of customs transit declarations, in units of B/L Numbers	1
144	Carry-In Confirmation Registration (customs transit cargo) (accumulative processing)	1BA	○	In units of 1 ocean B/L (Note 2)	
145	Consolidated Cargo Sorting Confirmation Registration (accumulative processing)	1BB	○	In units of 10 house B/Ls (in the case of consolidated cargo)	
146	Free Time Registration	FTR		In units of 200 containers or in units of 200 B/Ls	1
147	Free Time Registration (accumulative processing)	1FT		In units of 20 containers or in units of 20 B/Ls	
148	Departure Time Registration	ATD		In units of vessel information	1
149	Departure Time Registration (accumulative processing)	1AR		In units of 20 B/Ls	
150	Application for Discharge Permit	DNC		In units of vessel information	1
151	Application for Discharge Permit (accumulative processing)	1DN		In units of 20 B/Ls	
152	Manifest Information Registration (blanket registration)	MFI		In units of vessel information	1
153	Manifest Information Registration (blanket registration) (accumulative processing)	1MR		In units of 1 B/L	
154	Completion of Examination of Application for Discharge Permit	CDE01		In units of discharge permit applications	1
155	Application for Discharge Permit (accumulative processing)	1DN		In units of 20 B/Ls	
156	Registered Advance Vessel Information Correction	CMV		In units of vessel information	1
157	Registered Advance Vessel Information Correction (accumulative processing)	1CM		In units of 20 B/Ls	
158	Update Manifest Information (Collective Change of CY)	CMC		In units of vessel information	1
159	Update Manifest Information (Collective Change of CY)(accumulative processing)	1MC		In units of 20 B/Ls or in units of 20 containers	

Item No.	Procedure Name	Procedure Code	Processing Result (Note 1)	Flow and Units of Processing	Pattern
160	Registration of AWB preliminary information	AAW		↓ In units of arrived flights	2
161	HAWB Cargo Formal Declaration Automatic Invocation 1	1HA01		↓ In units of 1 MAWB	
162	HAWB Cargo Formal Declaration Automatic Invocation 2	1HA02		↓ In units of 40 HAWBs	
163	AWB Information Registration (import)	ACH		↓ In units of arrived flights	2
164	HAWB Cargo Formal Declaration Automatic Invocation 1	1HA01		↓ In units of 1 MAWB	
165	HAWB Cargo Formal Declaration Automatic Invocation 2	1HA02		↓ In units of 40 HAWBs	
166	Cargo Confirmation Information Registration	PKG		↓ In units of arrived flights	2
167	Customs Transit Declaration (accumulative processing)	1OL		↓ In units of 1 AWBs	
168	AWB Information Correction	CAW		↓ In units of arrived flights	2
169	HAWB Cargo Formal Declaration Automatic Invocation 1	1HA01		↓ In units of 1 MAWB	
170	HAWB Cargo Formal Declaration Automatic Invocation 2	1HA02		↓ In units of 40 HAWBs	
171	Carry-In Confirmation Registration (customs transit not subject to the system)	OIN		↓ In units of arrived flights	2
172	HAWB Cargo Formal Declaration Automatic Invocation 1	1HA01		↓ In units of 1 MAWB	
173	HAWB Cargo Formal Declaration Automatic Invocation 2	1HA02		↓ In units of 40 HAWBs	
174	Customs Transit Arrival Confirmation Not Covered by the System	CAT		↓ In units of customs transit declarations, in units of AWB Numbers	1
175	Customs Transit Arrival Confirmation Not Covered by the System (accumulative processing)	1CA		↓ In units of 18 AWBs (HAWBs) in 1 customs transit declaration	
176	Cargo Transfer Information Registration	KAM01		↓ In units of arrived flights	2
177	HAWB Cargo Formal Declaration Automatic Invocation 1	1HA01		↓ In units of 1 MAWB	
178	HAWB Cargo Formal Declaration Automatic Invocation 2	1HA02		↓ In units of 40 HAWBs	
179	Carry-Out Confirmation Registration (general)	OUT		↓ In units of arrived flights	2
180	HAWB Cargo Formal Declaration Automatic Invocation 1	1HA01		↓ In units of 1 MAWB	
181	HAWB Cargo Formal Declaration Automatic Invocation 2	1HA02		↓ In units of 40 HAWBs	
182	Bonded Warehouses Inventory Status Inquiry (import)	IWI		↓ In units of bonded warehouses	1
183	Bonded Warehouses Inventory Status Inquiry (import) (accumulative processing)	1IW		↓ In units of 24 AWBs (HAWBs)	
184	Single Window Import Declaration Registration	SWA		↓ In units of registrations of single window import declarations, etc.	2
185	Foods, etc. Import Notification (automatic invocation)	1FA	○	↓ In units of notification acceptance numbers	
186	Import Declaration	IDC		↓ In units of import declarations, etc.	2
187	Import Declaration (automatic invocation on carry-in)	1DA	○	↓ In units of import declarations, etc. (when processing Discharge Confirmation Registration or Carry-In Confirmation Registration)	
188	Import Declaration	IDC		↓ In units of import declarations, etc.	
189	Import Declaration (automatic invocation of formal declaration)	1ID	○	↓ In units of import declarations, etc. (when processing Discharge Confirmation Registration, Carry-In Confirmation Registration, or Arrival Confirmation Registration, or matching)	2
190	Import Declaration	IDC		↓ In units of import declarations, etc.	
191	Import Declaration (automatic invocation during office operating hours)	3ID	○	↓ In units of import declarations, etc. (during office operating hours)	2
192	Import Declaration	IDC		↓ In units of import declarations, etc.	
193	Pending Release, etc. (automatic invocation)	1CW01		↓ In units of import declarations, etc. (linked with procedures of other prefectures)	2
194	Pending Release (automatic invocation during office operating hours)	3CW		↓ In units of import declarations, etc. (during office operating hours)	
195	Single Window Import Declaration	SWC		↓ In units of single window import declarations, etc.	
196	Report concerning the import of foods (automatic invocation)	3IF	○	↓ In units of notification acceptance numbers	2
197	Report concerning the import of foods	IFC		↓ In units of notification acceptance numbers	
198	Report concerning the import of foods (fixed time automatic invocation)	3IF	○	↓ In units of notification acceptance numbers (fixed time invocation)	
199	Import Declaration of Petroleum Products, etc. (from Integrated Area Consumption)	MWC		↓ In units of import declarations of petroleum products, etc. from integrated area consumption	2
200	Import Declaration of Petroleum Products, etc. (from Integrated Area Consumption) (automatic invocation during office operating hours)	3MW	○	↓ In units of import declarations of petroleum products, etc. (from Integrated Area Consumption) (during office operating hours)	
201	Completion of Examination of Import Declaration	CEA		↓ In units of import declarations, etc. (on BP approval)	2
202	Completion of Examination of Import Declaration (automatic invocation during office operating hours)	3CE	○	↓ In units of import declarations, etc. (during office operating hours)	
203	Import Manifest Clearance Declaration	MIC		↓ In units of import manifest clearance declarations	2
204	Import Manifest Clearance Declaration (automatic invocation of formal declaration)	1MI	○	↓ In units of import manifest clearance declarations (when processing Carry-In Confirmation Registration or Arrival Confirmation Registration, or matching)	
205	Import Manifest Clearance Declaration	MIC		↓ In units of import manifest clearance declarations	
206	Import Manifest Clearance Declaration (automatic invocation during office operating hours)	3MI	○	↓ In units of import manifest clearance declarations (during office operating hours)	2
207	Completion of Examination of Security Provision Document	CTT		↓ In units of security registration numbers	
208	Security Pending Release (automatic invocation)	1SR	○	↓ In units of import declarations, etc.	2
209	Completion of Examination of Security Provision Document	CTT		↓ In units of security registration numbers	
210	Security Pending Release (automatic invocation)	1SR	○	↓ In units of import declarations, etc.	
211	Security Pending Release (automatic invocation during office operating hours)	3SR	○	↓ In units of import declarations, etc.	2
212	Security Registration	SER		↓ In units of security registration numbers	
213	Security Pending Release (automatic invocation)	1SR	○	↓ In units of import declarations, etc.	2
214	Security Registration	SER		↓ In units of security registration numbers	
215	Security Pending Release (automatic invocation)	1SR	○	↓ In units of import declarations, etc.	
216	Security Pending Release (automatic invocation during office operating hours)	3SR	○	↓ In units of import declarations, etc.	2
217	MPN Clearing	MP2		↓ In units of payment numbers	
218	MPN Clearing (automatic invocation during office operating hours)	3MP		↓ In units of payment numbers (during office operating hours)	2
219	Application for Examination of Imported Animal Products	ILC		↓ In units of applications	
220	Application for Examination of Imported Animal Products (automatic invocation of application after arrival)	1IL		↓ In units of applications (when processing Discharge Confirmation Registration or Carry-In Confirmation Registration)	2
221	Applications for payment of general application fees	RPC		↓ In units of applications	
222	Tax amount registration (automatic invocation)	1SK		↓ In units of applications	2

Item No.	Procedure Name	Procedure Code	Processing Result (Note 1)	Flow and Units of Processing	Pattern
223	Payment registration	RCL01		User,schedule for payment	
224	Payment registration(automatic invocation of payment registration)	1 RC		↓ Customs office,Account for lump payment slip number	1

(Note 1) For those with O in the Processing Result column, the processing results are output for each child procedure.
(The procedure code of the child procedure is set to the procedure code in output common fields)

(Note 2) Processing result notification (in units of processing) is output in units of 1 ocean B/L.
(Example: When this procedure is processed in units of customs transit declarations (3 B/Ls for 1 declaration),
3 processing result notifications (in units of processing) are output.)
