Table A6-10-2 WebNACCS Procedure List

Item No.	Procedure classification		Procedure code / Web procedure ID	Procedure name / procedure function name	Detailed specification references
1	Import and export custom clearance / cargo related procedures Vessel Arrival/Departure related procedures	User settings	URY0W	User Information Registration	Procedure Specification ("User Information Registration (URY) WebNACCS User Manual (Vessel Arrival/Departure procedures)
2	Import and export custom clearance / cargo related procedures	Export cargo	IGS0W	Inquiry about information on export cargo	Procedure Specification ("Export cargo information inquiry (IGS) procedures")
3	Import and export custom clearance / cargo related procedures	Export cargo	IMA0W	Inquiry about the consolidation status of consolidated cargo	Procedure Specification ("Consolidated cargo status inquiry (IMA) procedures")
4	Import and export custom clearance / cargo related procedures	Export cargo	IIC0W	Inquiry about the status of consolidated cargo	Procedure Specification ("Consolidated cargo status inquiry (IIC) procedures")
5	Import and export custom clearance / cargo related procedures	Export custom clearance	IEX0W	Inquiry about export declarations	Procedure Specifications ("Export declaration inquiry (IEX) procedures")
6	Import and export custom clearance / cargo related procedures	Export custom clearance	IES0W	Inquiry about export declarations in a list format	Procedure Specifications ("Export declaration inquiry (IES) procedures")
7	Import and export custom clearance / cargo related procedures	Import cargo	IMI0W	Inquiry about Manifest Status	Procedure Specification ("Inquiry about Manifest Status (IMI) procedures")
8	Import and export custom clearance / cargo related procedures	Import cargo	IAW0W	Inquiry about information on import cargo	Procedure Specification ("Import cargo information inquiry (IAW) procedures")
9	Import and export custom clearance / cargo related procedures	Import custom clearance	IID0W	Inquiry about import declarations	Import declaration, etc. inquiry ("Import declaration, etc. inquiry (IID) procedures")
10	Import and export custom clearance / cargo related procedures	Import custom clearance	IDI0W	Inquiry about import declarations in a list format	Procedure Specifications ("Import declaration, etc. list inquiry (IDI) procedures")
11	Import and export custom clearance / cargo related procedures	Import custom clearance	HHA0W	Registration of provisional items in blanket insurance	Procedure Specifications (General insurance tentative matter registration (HHA) procedures")
12	Import and export custom clearance / cargo related procedures	Import custom clearance	HHB0W	Call-up for the registration of provisional items in blanket insurance	Procedure Specifications (General insurance tentative matter registration call up (HHB) procedures")
13	Import and export custom clearance / cargo related procedures	Import custom clearance	HHC0W	Provisional registration of blanket insurance	Procedure Specifications (General insurance tentative registration (HHC) procedures")
14	Import and export custom clearance / cargo related procedures	Import custom clearance	HKA0W	Registration of confirmation of blanket insurance	Procedure Specifications (General insurance confirmation registration (HKA) procedures")

Table A6-10-2 WebNACCS Subjected Procedure List - 1

Table A6-10-2 WebNACCS Procedure List

Item No.	Procedure classification		Procedure code / Web procedure ID	Procedure name / procedure function name	Detailed specification references
15	Import and export custom clearance / cargo related procedures	Import custom clearance	HKB0W	Call-up for the registration of confirmation of blanket insurance	Procedure Specifications (General insurance confirmation registration call up (HKB) procedures")
16	Import and export custom clearance / cargo related procedures	Import custom clearance	IIN0W	Inquiry about blanket insurance	Procedure Specifications (General insurance inquiry (IIN) procedures")
17	Import and export custom clearance / cargo related procedures	Import custom clearance	IAS0W	Inquiry about collaterals	Procedure Specifications (Securities inquiry (IAS) procedures")
18	Import and export custom clearance / cargo related procedures	Import custom clearance	IAS1W	Inquiry about collateral lists for the Customs	Procedure Specifications (Securities list inquiry(IAS01) procedures")
19	Import and export custom clearance / cargo related procedures	Import custom clearance	IMP0W	Inquiry about the MPN status	Procedure Specification ("MPN status Inquiry (IMP) procedures")
20	Import and export custom clearance / cargo related procedures	Import custom clearance	RNF0W	Re-output of payment statements	Procedure Specification ("Payment Slip. Re-output (RNF) procedures")
21	Import and export custom clearance / cargo related procedures	Import and export common	ICG0W	Inquiry about cargo information	Procedure Specification ("Cargo information inquiry (ICG) procedures")
22	Import and export custom clearance / cargo related procedures	Import and export common	ICN0W	Inquiry about container information	Procedure Specification ("Container information inquiry (ICN) procedures")
23	Import and export custom clearance / cargo related procedures	Import and export common	HYS0W	General applications	Procedure Specification ("General application (HYS) procedure")
24	Import and export custom clearance / cargo related procedures	Import and export common	HYE0W	Changes to General applications	Procedure Specification ("General application change (HYE) procedure")
25	Import and export custom clearance / cargo related procedures	Import and export common	IHY0W	Inquiry about General applications	Procedure Specification ("General application inquiry (IHY) procedure")
26	Import and export custom clearance / cargo related procedures	Import and export common	RPC0W	Applications for payment of General application fees	Procedure Specification ("General application fee, etc payment application (RPC) procedure")
27	Import and export custom clearance / cargo related procedures	Import and export common	RPD0W	Call-up for applications for payment of General application fees	Procedure Specification ("General application fee, etc payment application call up (RPD) procedure")
28	Import and export custom clearance / cargo related procedures	Import and export common	RPE0W	Changes to applications for payment of General application fees	Procedure Specification ("General application fee, etc. payment application change (RPE) procedure")
29	Import and export custom clearance / cargo related procedures	Import and export common	RPS0W	Inquiry about applications for payment of General application fees	Procedure Specification ("General application fee payment, etc. payment application (RPS) procedure")

Item No.	Procedure classification		Procedure code / Web procedure ID	Procedure name / procedure function name	Detailed specification references
30	Import and export custom clearance / cargo related procedures	Import and export common	IIE0W	Inquiry about importer/exporter information	Procedure Specification ("Importer/Exporter information inquiry (IIE) procedures")
31	Import and export custom clearance / cargo related procedures	Import and export common	IER0W	Inquiry about exchange rates	Procedure Specifications (Exchange Rate inquiry (IER) procedures")
32	Import and export custom clearance / cargo related procedures	Import and export common	WNC	Report confirmation	WebNACCS User Manual _ Report confirmation (WNC)
33	Vessel Arrival/Departure related procedures	Port arrival and departure	WBX	General Vessel Information Registration (Web)（coastal)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
34	Vessel Arrival/Departure related procedures	Port arrival and departure	WBX	General Vessel Information Registration (Web)（ocean)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
35	Vessel Arrival/Departure related procedures	Port arrival and departure	WPT	Unified Application Before Vessel Arrival (coastal)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
36	Vessel Arrival/Departure related procedures	Port arrival and departure	WPT	Unified Application Before Vessel Arrival(ocean)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
37	Vessel Arrival/Departure related procedures	Port arrival and departure	WPT	Unified Application Before Vessel Arrival (ocean (using operation information))	WebNACCS User Manual (Vessel Arrival/Departure procedures)
38	Vessel Arrival/Departure related procedures	Port arrival and departure	WIT	Vessel Arrival Notice (coastal)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
39	Vessel Arrival/Departure related procedures	Port arrival and departure	WIT	Vessel Arrival Notice (ocean)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
40	Vessel Arrival/Departure related procedures	Port arrival and departure	WIT	Vessel Arrival Notice (Ocean (use of operation information))	WebNACCS User Manual (Vessel Arrival/Departure procedures)
41	Vessel Arrival/Departure related procedures	Port arrival and departure	WMR	Shift Notice, etc. (coastal)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
42	Vessel Arrival/Departure related procedures	Port arrival and departure	WMR	Shift Notice, etc. (Ocean)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
43	Vessel Arrival/Departure related procedures	Port arrival and departure	WOT	Vessel Departure Notice (coastal)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
44	Vessel Arrival/Departure related procedures	Port arrival and departure	WOT	Vessel Departure Notice (ocean)	WebNACCS User Manual (Vessel Arrival/Departure procedures)
45	Vessel Arrival/Departure related procedures	Port arrival and departure	WOT	Vessel Departure Notice(Ocean (use of operation information))	WebNACCS User Manual (Vessel Arrival/Departure procedures)
46	Vessel Arrival/Departure related procedures	Port arrival and departure	WER	Port fee reduction and exemption/refund application	WebNACCS User Manual (Vessel Arrival/Departure procedures)
47	Vessel Arrival/Departure related procedures	Port arrival and departure	WMT	Vessel operation movement notice	WebNACCS User Manual (Vessel Arrival/Departure procedures)
48	Vessel Arrival/Departure related procedures	Port arrival and departure	WST	Sea facility use permit application	WebNACCS User Manual (Vessel Arrival/Departure procedures)
49	Vessel Arrival/Departure related procedures	Port arrival and departure	WLT	Land facility use permit application	WebNACCS User Manual (Vessel Arrival/Departure procedures)
50	Vessel Arrival/Departure related procedures	Port arrival and departure	WFT	File application	WebNACCS User Manual (Vessel Arrival/Departure procedures)

Table A6-10-2 WebNACCS Procedure List

Item No.	Procedure classification		Procedure code / Web procedure ID	Procedure name / procedure function name	Detailed specification references
51	Vessel Arrival/Departure related procedures	Port arrival and departure	WPC	Tonnage Due Payment Declaration	WebNACCS User Manual (Vessel Arrival/Departure procedures)
52	Vessel Arrival/Departure related procedures	Port arrival and departure	WCP	Application for permission for entrance into and departure from closed port	WebNACCS User Manual (Vessel Arrival/Departure procedures)
53	Vessel Arrival/Departure related procedures	Port arrival and departure	WKC	Notification of Vessel Qualification Change	WebNACCS User Manual (Vessel Arrival/Departure procedures)
54	Vessel Arrival/Departure related procedures	Port arrival and departure	WKS	Call-up the Notification of Vessel Qualification Change	WebNACCS User Manual (Vessel Arrival/Departure procedures)
55	Vessel Arrival/Departure related procedures	Port arrival and departure	WVS	Call-up for the Notification of Vessel/Aircraft Qualification Change	WebNACCS User Manual (Vessel Arrival/Departure procedures)
56	Vessel Arrival/Departure related procedures	Port arrival and departure	WVK	Inquiry about Vessel Codes	WebNACCS User Manual (Vessel Arrival/Departure procedures)
57	Vessel Arrival/Departure related procedures	Port arrival and departure	WVC	Inquiry about vessel management information	WebNACCS User Manual (Vessel Arrival/Departure procedures)
58	Vessel Arrival/Departure related procedures	Port arrival and departure	WPP	Inquiry about applications for permission for entrance into and departure from closed port	WebNACCS User Manual (Vessel Arrival/Departure procedures)
59	Vessel Arrival/Departure related procedures	Port arrival and departure	WVD	Inquiry about lists by entry/departure date	WebNACCS User Manual (Vessel Arrival/Departure procedures)
60	Vessel Arrival/Departure related procedures	Port arrival and departure	WKP	Notification of Vessel Qualification Change notice inquiry	WebNACCS User Manual (Vessel Arrival/Departure procedures)
61	Vessel Arrival/Departure related procedures	Port arrival and departure	WAS	Destination setting	WebNACCS User Manual (Vessel Arrival/Departure procedures)
62	Vessel Arrival/Departure related procedures	Port arrival and departure	WSC	Temporary storage information call up	WebNACCS User Manual (Vessel Arrival/Departure procedures)
63	Vessel Arrival/Departure related procedures	Port arrival and departure	WUD	CSV upload	WebNACCS User Manual (Vessel Arrival/Departure procedures)
64	Vessel Arrival/Departure related procedures	Port arrival and departure	WCS	Berth window	WebNACCS User Manual (Vessel Arrival/Departure procedures)
65	Port-related Procedures	Anchorage function	AAC01	Log in to anchorage Web	Anchorage Web (for Applicants) Operation Manual
66	Port-related Procedures	Anchorage function	AAA01	Create anchorage designation information	Anchorage Web (for Applicants) Operation Manual
67	Procedure for Animal Quarantine	Imported Animal Products	ILA01	Registration of items on applications for the examination of imported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)
68	Procedure for Animal Quarantine	Imported Animal Products	ILA02	Applications for the examination of imported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)
69	Procedure for Animal Quarantine	Imported Animal Products	ILA03	Inquiry about the list of applications for the examination of imported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)
70	Procedure for Animal Quarantine	Imported Animal Products	ILA04	Inquiry about information on applications for the examination of imported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)
71	Procedure for Animal Quarantine	Imported Animal Products	ISS01	Registration of the warehousing status for applications for the examination of imported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)
72	Procedure for Animal Quarantine	Exported animal products	ELA01	Registration of items on applications for the examination of exported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)
73	Procedure for Animal Quarantine	Exported animal products	ELA02	Applications for the examination of exported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)

Item No.	Procedure classification		Procedure code / Web procedure ID	Procedure name / procedure function name	Detailed specification references
74	Procedure for Animal Quarantine	Exported animal products	ELA03	Inquiry about the list of applications for the examination of exported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)
75	Procedure for Animal Quarantine	Exported animal products	ELA04	Inquiry about information on applications for the examination of exported livestock products	Procedure for Animal Quarantine User Manual (Animal products related procedures)
76	Procedure for Animal Quarantine	Imported animal	IAR01	Animal import advanced reporting matters registration	Procedure for Animal Quarantine User Manual (Animal related procedures)
77	Procedure for Animal Quarantine	Imported animal	IAR02	Animal import advanced reporting	Procedure for Animal Quarantine User Manual (Animal related procedures)
78	Procedure for Animal Quarantine	Imported animal	IAR03	Animal import advanced reporting list inquiry	Procedure for Animal Quarantine User Manual (Animal related procedures)
79	Procedure for Animal Quarantine	Imported animal	IAR04	Animal import advanced reporting information inquiry	Procedure for Animal Quarantine User Manual (Animal related procedures)
80	Procedure for Animal Quarantine	Imported animal	IAR05	Animal import advanced reporting cancellation	Procedure for Animal Quarantine User Manual (Animal related procedures)
81	Procedure for Animal Quarantine	Imported animal	IAA01	Registration of items on applications for the examination of imported animals	Procedure for Animal Quarantine User Manual (Animal related procedures)
82	Procedure for Animal Quarantine	Imported animal	IAA02	Applications for the examination of imported animals	Procedure for Animal Quarantine User Manual (Animal related procedures)
83	Procedure for Animal Quarantine	Imported animal	IAA03	Inquiry about the list of applications for the examination of imported animals	Procedure for Animal Quarantine User Manual (Animal related procedures)
84	Procedure for Animal Quarantine	Imported animal	IAA04	Inquiry about information on applications for the examination of imported animals	Procedure for Animal Quarantine User Manual (Animal related procedures)
85	Procedure for Animal Quarantine	Exported animal	EAA01	Registration of items on applications for the examination of exported animals	Procedure for Animal Quarantine User Manual (Animal related procedures)
86	Procedure for Animal Quarantine	Exported animal	EAA02	Applications for the examination of exported animals	Procedure for Animal Quarantine User Manual (Animal related procedures)
87	Procedure for Animal Quarantine	Exported animal	EAA03	Inquiry about the list of applications for the examination of exported animals	Procedure for Animal Quarantine User Manual (Animal related procedures)
88	Procedure for Animal Quarantine	Exported animal	EAA04	Inquiry about information on applications for the examination of exported animals	Procedure for Animal Quarantine User Manual (Animal related procedures)
89	Procedure for Animal Quarantine	Importing dogs, etc.	IDR01	Importing dogs, etc. advanced reporting	Procedure for Animal Quarantine User Manual (Dogs related procedures)
90	Procedure for Animal Quarantine	Importing dogs, etc.	IDR02	Importing dogs, etc. advanced reporting information inquiry	Procedure for Animal Quarantine User Manual (Dogs related procedures)
91	Procedure for Animal Quarantine	Importing dogs, etc.	IDR05	Importing dogs, etc. advanced reporting cancellation	Procedure for Animal Quarantine User Manual (Dogs related procedures)
92	Procedure for Animal Quarantine	Importing dogs, etc.	IDA01	Registration of items on applications for the examination of imported dogs	Procedure for Animal Quarantine User Manual (Dogs related procedures)
93	Procedure for Animal Quarantine	Importing dogs, etc.	IDA02	Applications for the examination of imported dogs	Procedure for Animal Quarantine User Manual (Dogs related procedures)
94	Procedure for Animal Quarantine	Importing dogs, etc.	IDA03	Inquiry about information on applications for the examination of imported dogs	Procedure for Animal Quarantine User Manual (Dogs related procedures)
95	Procedure for Animal Quarantine	Importing dogs, etc.	IDA05	Imported dogs, etc. examination application cancellation	Procedure for Animal Quarantine User Manual (Dogs related procedures)

Item No.	Procedure classification		Procedure code / Web procedure ID	Procedure name / procedure function name	Detailed specification references
96	Procedure for Animal Quarantine	Importing dogs, etc.	CDA01	Dogs, etc. reporting / import and export examination application list inquiry	Procedure for Animal Quarantine User Manual (Dogs related procedures)
97	Procedure for Animal Quarantine	Exporting dogs, etc.	EDA01	Registration of items on applications for the examination of exported dogs	Procedure for Animal Quarantine User Manual (Dogs related procedures)
98	Procedure for Animal Quarantine	Exporting dogs, etc.	EDA02	Applications for the examination of exported dogs	Procedure for Animal Quarantine User Manual (Dogs related procedures)
99	Procedure for Animal Quarantine	Exporting dogs, etc.	EDA03	Inquiry about information on applications for the examination of exported dogs	Procedure for Animal Quarantine User Manual (Dogs related procedures)
100	Procedure for Animal Quarantine	Exporting dogs, etc.	EDA05	Exported dogs, etc. examination application cancellation	Procedure for Animal Quarantine User Manual (Dogs related procedures)
101	Procedure for Animal Quarantine	Comprehensive electronic application	OEA01	Comprehensive electronic application	Procedure for Animal Quarantine User Manual (Comprehensive electronic application)
102	Procedure for Animal Quarantine	Comprehensive electronic application	OEA02	Comprehensive electronic application list inquiry	Procedure for Animal Quarantine User Manual (Comprehensive electronic application)
103	Procedure for Animal Quarantine	Comprehensive electronic application	OEA03	Comprehensive electronic application individual details	Procedure for Animal Quarantine User Manual (Comprehensive electronic application)
104	Procedure for Animal Quarantine	Examination location designation application	ISA01	Examination location designation application matters registration	Procedure for Animal Quarantine User Manual (Examination location designation application)
105	Procedure for Animal Quarantine	Examination location designation application	ISA02	Examination location designation application	Procedure for Animal Quarantine User Manual (Examination location designation application)
106	Procedure for Animal Quarantine	Examination location designation application	ISA03	Examination location designation application list inquiry	Procedure for Animal Quarantine User Manual (Examination location designation application)
107	Procedure for Animal Quarantine	Examination location designation application	ISA04	Examination location designation application information inquiry	Procedure for Animal Quarantine User Manual (Examination location designation application)
108	Procedure for Animal Quarantine	Examination location designation application	ISA05	Examination location designation application call up	Procedure for Animal Quarantine User Manual (Examination location designation application)
109	Procedure for Plant Quarantine	Imported plant	IPA01	Registration of items on applications for the examination of imported plants	Procedure for Plant Quarantine User Manual (for Applicant)
110	Procedure for Plant Quarantine	Imported plant	IPA03	Inquiry about the list of applications for the examination of imported plants	Procedure for Plant Quarantine User Manual (for Applicant)
111	Procedure for Plant Quarantine	Imported plant	IPA04	Details of each individual application for the examination of imported plants	Procedure for Plant Quarantine User Manual (for Applicant)
112	Procedure for Plant Quarantine	Imported plant	IPA08	Imported plant report output	Procedure for Plant Quarantine User Manual (for Applicant)
113	Procedure for Plant Quarantine	Exported plant	EPA01	Registration of items on applications for the examination of exported plants	Procedure for Plant Quarantine User Manual (for Applicant)
114	Procedure for Plant Quarantine	Exported plant	EPA03	Inquiry about the list of applications for the examination of exported plants	Procedure for Plant Quarantine User Manual (for Applicant)
115	Procedure for Plant Quarantine	Exported plant	EPA04	Details of each individual application for the examination of exported plants	Procedure for Plant Quarantine User Manual (for Applicant)

Item No.	Procedure classification		Procedure code / Web procedure ID	Procedure name / procedure function name	Detailed specification references
116	Procedure for Plant Quarantine	Exported plant	EPA07	Exported plant report output	Procedure for Plant Quarantine User Manual (for Applicant)
117	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJM01	Foreign Exchange Act General purpose information registration	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
118	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJA01	Foreign Exchange Act export permit application	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
119	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJA02	Foreign Exchange Act export approval application	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
120	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJA03	Foreign Exchange Act Import (assignment/approval) application	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
121	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJA04	Application for withdrawal under the Foreign Exchange and Foreign Trade Act	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
122	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJA05	Application for reissuance under the Foreign Exchange and Foreign Trade Act	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
123	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJA06	Foreign Exchange Act Basel Transfer Documents application	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
124	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJA07	Foreign Exchange Act General application	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
125	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJR01	Foreign Exchange Act application / electronic license list inquiry	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
126	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJR02	Foreign Exchange Act application / electronic license information inquiry	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
127	Procedure for Foreign Exchange and Foreign Trade Act	Foreign Exchange Act	WJD01	Foreign Exchange Act Customs Broker designation/removal	Procedure for Foreign Exchange and Foreign Trade Act User Manual (Web,non-government)
